

Mastermind Alliance Agreement

We all agree to the following:

To attend every meeting wherever possible

To give apologies as early as possible should we not be able to attend

To be prompt with start times but to communicate if there is an issue

To keep all communications in confidence unless specifically released

To acknowledge that we have a duty of care to each other and our respective businesses

To acknowledge that from time to time we're perhaps going to have a dummy spit

To be upfront and humble and make amends when we're out of line and spit the dummy
